Why do agility with Flashing Canines?

Do you need something fun to do with your dog? Do you want to teach a timid dog self-confidence? Do you need an outlet for your dog? Our classes are a great way to introduce yourself and your dog to the sport of agility.

Come do agility!

What is agility?

Agility is a sport where a handler is given a set amount of time to navigate their dog through an obstacle course.

Agility is suited to any size or breed of dog that is physically sound and has some basic obedience.

You and your dog will learn to work as a team both on and off the agility field.

So whether you want to compete or just build a stronger bond with your dog, agility might be the sport for you.

What classes do we offer?

We offer a wide variety of agility instruction for dogs of all ages.

Foundation Classes

- ❖ Teach the fundamental skills needed in agility using reinforcement and clicker training

Advanced Classes

- ❖ Focus on advanced handling and independent obstacle skills

It's never too early or too late to start training your canine best friend!
